The Women's Art Association of Canada, in conjunction with Reif Estate Winery, is offering for sale a selection of commemorative wines to celebrate its 125<sup>th</sup> anniversary. A portion of the sale of each bottle will go to the W.A.A.C. to support the restoration of its residence.

*Sweet Peas* by Mary Ella Dignam  
 Founding Member and  
 First President, W.A.A.C.

**Chardonnay Sauvignon Blanc**

This Chardonnay Sauvignon Blanc is light straw in colour with a broad range of aromas and flavours; from crisp apple and pineapple to subtle notes of banana and gooseberry. The finish is clean and defined by its crisp acidity. This elegant wine complements crisp salads, lightly seasoned fish and grilled poultry entrees.

*Passing Storm* by Fred Haines, R.C.A.  
 From the collection of the W.A.A.C.

**Cabernet Merlot**

A medium-bodied wine loaded with black cherry and raspberry flavours. Leather and earthy spice notes create a perfect balance in this well structured wine. A clean, fruit forward finish rounds out this exceptional medium-bodied red. Pair with grilled meats and vegetables, or Italian style pastas.
